More than five million Americans are affected by Alzheimer's disease and other related dementias, and on Saturday, May 17, 2008, I am participating in the Alzheimer's Foundation of America's Let's Take A Stand Against Alzheimer's Disease event. I will be standing with individuals affected by Alzheimer's disease, caregivers, family members, healthcare professionals and members of the community in a five minute observance of silence to inform our nation that we all have a stake in the battle against Alzheimer's disease and related dementias, and to raise funds to support hands-on programs and services nationwide.

Please sponsor me to support this important cause by making a donation. All contributions are tax-deductible to the full extent of the law (*View AFA's annual report at www.alzfdn.org.*) Thank you for your generous support!
